Industrial/Medical/Mil-Aero	20%	20%	20%	20%	18%	19%	19%	20%	18%	19%	18%

Periodically, ON Semiconductor may revise its analysis of revenues by end-market in order to present a more refined view of revenues by such markets as the categorization of products by end-market can vary over time compared to those previously disclosed. Such reclassifications typically do not materially change the sizing of, or the underlying trends of results, within each end market. Any revisions are reflected in the above end-market break out.
